

## TURNING ON COURT LIGHTS

1. Lights controls are on the playground side of the clubrooms.
2. Using the GET key on the keyring unlock and remove the padlock, and turn the handle to the left:

3. Press any button to begin entering the pin number:

**1632**

**Buttons**

4. **Once you enter the first digit, the position of the remaining digits will move, as each digit is entered.**

5. Courts can then be turned on (All, Courts 2&3, or Courts 4&5), turned off, or set to a set up/pack up intensity

Small led light on the button indicates the selection.

6. Pin number is needed to turn off the lights at the end of the session.

7. Relock the control box
